- ✓ Local
- ✓ Regional
- ✓ Drive
- ✓ Steer

Our Top-Performing 19.5” Tires

Nitto CD Grappler

- ✓ All-Weather Local and Regional Trucks
- ✓ Pick-up and Delivery Trucks

The Nitto CD Grappler is highly capable across roads and conditions. When the snow flies, drive with confidence as this all-weather tire is studdable and bears the 3-peaked mountain and snowflake symbol. Built with an advanced casing design that delivers exceptional durability and tread life, the Nitto CD Grappler helps keep your fleet on the road all year round.

Sailun S740

- ✓ Winter Regional Trucks
- ✓ Pick-up and Delivery Trucks

Does your route take you through mud, snow, sleet and ice? The Sailun S740 provides excellent handling and stability in the most demanding winter driving conditions. Designed to bite into snow and ice and expel water and mud, this premium regional drive tire ensures four-season traction you can rely on.

Sailun S759

- ✓ All-Weather Regional Trucks
- ✓ Pick-up and Delivery Trucks

The Sailun S759 delivers reliable year-round traction, whatever the weather. With a unique shoulder and tread block design that bites into mud and snow, get outstanding traction, handling and stability in even the most demanding weather conditions.
